![writing for green]

What are your expectations for this training?

I exept to have fun

Interactive and creative!

I expect the training to be collaborative and engaging

Looking for tips to navigating grant rejection

Looking for support in being very direct and clear in writing

hoping to get better at articulating WHY a grant proposal is good or could be stronger, so it doesn't feel as much like it's just intuition

Learn to better tell our compelling story in a persuasive way.

Learn to write more efficiently

Become a better writer

I want to learn the basics of grant writing and walk away with valuable insights for my nonprofit.

Set of techniques to develop strong proposals!

Writing with continuity

how to incorporate data/statistics to help make a strong case for as to why to fund us

Develop strong base language to utilize for many proposals. Learn more about how to leverage more flexible foundation funding as we do direct organizing not so much programs.

looking for mentorship

Learn from the other folks here

For people to be generous in sharing their knowledge and experiences

I'm looking forward to learning from everyone and ways to strengthen my grant writing

feedback and brainstorming time on proposal drafts

Looking forward to building together

Looking to collaborate with others

Honest feedback

Strategies for getting grants in faster

structures for managing teamwork

excited to share learnings with the rest of my org!

Be less intimated by the process of applying for a big grant

Combining organizational goals with rfp's

determining strategies for which grants to prioritize based on org needs
