Identifying and Re-Writing Ambiguous Statements

Instructions: *Below are several statements - these are poorly written objectives relating to this lesson. In the space provided, please identify the thing(s) that is/are ambiguous about each statement.*

Original Objective	What is ambiguous?	Rewrite the Objective More Clearly
To learn to be better communicators. Because if you don't write clearly they won't understand what you are trying to accomplish.	● Add your points here	
To know things about making things that are unclear more clear by doing things like editing out the unclear things.	● Add your points here	
Know when it is okay for things to be written vaguely by the grant writer.	● Add your points here
