Match Outputs to Outcomes

Working in small groups of 3 or 4, take a couple of minutes to skim through Harold's Story (in this lesson's folder) and review the outcomes below. Identify at least 4 outputs in the story that support the stated outcomes. Explain why you believe this output is justified for this outcome.

Outcomes	Outputs	Why this output?
1. Culture shift and general behavioral change encouraging more outdoor exercise		
2. Increased community interest and support for outdoor activities
